

School Council

Wednesday 3rd December 2014

Minutes

Staff: Miss Nicholson

Mrs Whiteley

Council Reps:

All present except Bailey and Carmen Y5(CM) who were at Allerton High.

Minutes from previous meetings:

Takeover Day:

Positive feed-back from KS1.

The children enjoyed being taught by KS2.

Some children would like a more even spread throughout the staff around school, so that every class has a takeover day participant with them.

Garment worker's workshop:

Positive feedback about the workshop on 26.11.2014

Children are to now create workshops to deliver to other groups of children across school to promote fair trade.

Fairtrade Fortnight:

This years' fairtrade fortnight is at the end of February. We discussed school council taking part in workshops:

'Be a Cocoa Farmer'

'Combatting Climate Change'

Both ran by Hannah who delivered the Garment Worker's workshop. All were in favour of taking part in these.

ACTIONS FOR NEXT MEETING:

- 1. Design a poster to advertise for members of the fair trade group by Wednesday 7th January. We are looking to appoint 4 children to work alongside school council (who aren't already in school council) to promote fair trade in school. 21.1.2015 will be the deadline for applications. The poster must include the fairtrade logo.**
- 2. Children to think about what they would want included in a fair trade workshop that they could deliver to other children across school.**
