Welcome

Miss Whiteley and Abdul (Chair) welcomed everyone to the meeting.

1. Trim Trail Rules Agreement

Abdul asked the council reps if their classes had agreed to the proposed rules and if there were any amendments. All classes have agreed to the rules and there were no amendments to make.

The following rules have now been agreed:

- ❖ Only use the trim trail when it is dry
- ❖ Do not use before or after school
- ❖ Only use the trim trail if there is an adult supervising
- ❖ Do not eat or drink whilst using the trim trail
- ❖ Wear the correct clothing and shoes when using the trim trail
- ❖ A maximum of 10 children to use the trim trail at a time
- ❖ Use the correct one way system

Action: Miss Whiteley to ask Mr Walker to remove the barriers from around the trim trail. Miss Whiteley to inform classes that they may begin to use the trim trail and class teachers to assign trim trail monitors.

2. Quiet Garden Rules

The rules below have also now been agreed and all children to adhere to them whilst using the quiet garden:

- ❖ Do sit down and talk quietly
- ❖ Respect the garden
- ❖ Respect each other while using the garden

3. AOB

Quiet garden

Following discussion from previous meeting about having some higher benches for the quiet garden it has now also been raised that the children would like more plants and trees and it has been suggested that the middle section/circle has a low fence around it/changed as currently children are running across this area and damaging the plants. Although Miss Whiteley pointed out that once the rules are in place then this should stop.

PE Equipment

Year 6 raised the issue of that the hockey sticks school have were not suitable for them due to the size and so they would like bigger hockey sticks for Upper Key Stage 2. Y6 have to play with tennis balls which they say is not suitable for their age and so they would like some proper hockey balls instead. It was also mentioned that new tennis balls were needed for the younger years.

Toni (Y6) mentioned that school needs new bibs as many of the ones that we have are getting ripped and old. They need to be washed regularly.

Action: Miss Whiteley to pass comments on to Miss Wright.

Next Meeting: Wednesday 11th January
