Welcome

Miss Whiteley and Abdul (Chair) welcomed everyone to the meeting.

1. Fundraising teams

Abdul talked to the council about what was discussed at the Fundraising meeting and Miss Whiteley shared the fundraising ideas that had been received from the houses. Miss Whiteley has not received any further names for the teams not any fundraising ideas for Turnberry so asked Abdul and Isobel to speak to the House Captains and to set an additional deadline for this.

Action: Abdul and Isobel (Year6) to speak with House Captains to provide Miss Whiteley with the information by the end of school on Friday 27th January.

2. Lunchtimes

Miss Whiteley asked the council representatives in years 3, 4, 5 and 6 if they had discussed lunchtimes with their classes. Abdul and Isobel said that sometimes year 6 or some children in Year 6 were being dismissed late and so missed lining up with the rest of year group or that Year 5 were already lining up. Both year 5 and year 6 complained that only a small number of children were let into the hall at any one time and that they could be lining up for a long time outside and then again in the hall. Year 3 and year 4 said that the queues were long but moved quickly.

Miss Whiteley next asked if the lunchtimes now worked better or worse than when they were the reverse. The representatives all responded that it was about the same and Abdul added that there was more choice of food for the older children now.

Action: Miss Whiteley to pass these comments onto Miss Linsley

3. AOB

Abdul asked the council members if anyone wanted to discuss anything else. Kacey (Y5SK) stated that her sister and her friends had talked to her about the playground shared by Reception and Nursery children and that they would like a new playground. Miss Whiteley asked Kacey if they had told her what they didn't like about their playground and what they would like in their playground but she was unable to answer this.

Action: EYFS representatives to talk to Reception and Nursery children about their playground.

Next Meeting: Wednesday 8th February
