Apologies

1. Welcome

Miss Whiteley and Abdul (Chair) welcomed everyone to the meeting.

2. Fundraising Team Ideas Feedback

Miss Whiteley informed the council that still no other houses had submitted their fundraising ideas even though Abdul had reminded them and asked the representatives if they would like to pursue any of the ideas that had been put forward. The council like the idea of a charity football match and also possible a hockey one too. They also like the idea of a cake sale too.

Miss Whiteley asked the Year 6 representatives if they knew what was happening with the Allerton's Got Talent competition which a group of year 3 children were organising but they did not. Abdul volunteered to find out and Miss Whiteley suggested that they all help with this and then to possibly help the children organise.

Action: Miss Whiteley and Abdul to talk to Mrs Stott about the fundraising ideas. Year 6 representatives to speak to the Year 3 children and find out what is happening.

3. Kind Minds Mission

Miss Whiteley talked to the council about the Kind Minds Mission that school will be participating in during the last week of the term (27th – 31st March). This is a week of where schools perform acts of kindness within school and/or in their local community and is the idea of the current Children's Lord Mayor, Grace.

The representatives thought of some ideas for example litter picking and being kind to someone that is upset and Miss Whiteley also mentioned about doing something with MAECare (Moor Allerton Elderly Care) who with have links with.

Action: The representatives to speak with their classes and bring any ideas to the next meeting.

4. AOB

Trim Trail

Abdul asked about using the Trim Trail. Miss Whiteley informed the council that the trim trail could be used but this was subject to weather conditions and that the adults supervising would be responsible for making the decision whether the trim trail could be used or not during break-times and lunchtimes.

Roblox

Several of the representatives asked if a Roblox club could be set up at school. Miss Whiteley explained that permission would have to be sought from Mrs Stott and also that advice from Mr Moore regarding internet safety.

5. Next Meeting

Wednesday 15th March at 2.30pm
