##### **1. Welcome**

Miss Whiteley welcomed everyone to the first school council meeting of the year and to the council's visitor, Carry from Free Little Library.

##### **2. Free Little Library**

Carry spoke to the representatives about what the Free Little Library is and the purpose/function of it. Slides were shown of various Free Little Libraries in various locations in Leeds including at other schools.

Next the Council were asked to think where they might like their Free Little Library to go. The following suggestions were made:

- Near the gates leading into the playground
- In the Quiet Garden
- On the edge of the car park
- Just outside of the school gates (so that anyone can access the library)
- Near the trim trail, near to the ramp/steps leading into the hall
- Near the year 2 block
- Anywhere near to a bench so that people can sit and read after choosing a book.

Carry explained that every Free Little Library is designed and painted by an artist (usually Jackie or herself but sometimes other artists too).

Having given some examples of themes that other schools have chosen, Carry asked the Council to think about some themes that they might like.

The representatives suggested:

- Underwater
- Woodland
- Space

**Action**

School Council representatives should ask/discuss with their class

- 1) Where should we have our Free Little Library?
- 2) How should it be decorated? What should the theme be?

**3. AOB**

None

**Next Meeting is on Wednesday 3<sup>rd</sup> October**
