1. Welcome

Miss Nicholson and Miss Whiteley welcomed the school council representatives to the meeting and special guest to the council, Miss Wright.

2. Sport in School - Feedback

Following the last meeting the class representatives discussed with their respective classes about PE lessons and sport based after school clubs.

The purpose of today's meeting was to give feedback from these discussions to Miss Wright.

The classes overall are happy with their PE Lessons and the clubs that are offered.

In addition Vivekh suggested running races were organised (competitive running), Miss Wright asked if they thought people might like a Cross Country Club (Cross Country Running). The council representatives thought they would.

While Mya's class would like to see gymnastics feature in PE lessons or as an after school club, this was echoed by other classes.

Liam suggested doing Table Tennis as an after school club again, also either rugby or tag rugby. Miss Wright has said that she will look at this.

Basketball was also mentioned by Liam and Miss Wright suggested that possibly this could be a lunchtime club on the MUGA.

Carla spoke about girl's football and Miss Wright informed the Council that this will continue and fixtures have been lined up with more on the horizon.

Masie's class suggested that football is offered to children in Reception. Miss Wright replied that possibly at lunchtime a club could be set up for Reception and Year 1 children on a sectioned part of the playground.

Miss Wright also talked about the possibility of more organised sports taking place during lunchtimes lead by some of the older children. Different sports offered on different days and times for particular age groups.

Paarshvr offered Yoga as an idea which Miss Nicholson, Miss Wright and Miss Whiteley thought was a great idea and Leon followed this suggestion with breathing exercises and meditation.

Carla thought Hula Hooping would be good which Miss Wright agreed was and will consider. Carla also mentioned about visiting class by class to try out different sports (Olympics), Miss Wright informed the School Council that there are going to be lots of activities and events happening next year during the Olympics.

Miss Wright also spoke to the council about running a Referee Course, this would be offered to upper KS2 children. The Council thought that this would be good.

The meeting concluded and Miss Nicholson, Miss Whiteley and the class representatives all thanked Miss Wright for attending the meeting and Miss Wright thanked them all for their feedback.

Action:
