#### 1. Welcome

Miss Whiteley welcomed Mrs Poole and all the councillors to the meeting.

#### 2. Car Parking Survey

Mrs Poole spoke with the representatives about what the next step should be. Rio and Miya shared the data collected and Mrs Poole informed the council about the mornings that she had been observing car parking on several mornings since we had return from the Christmas holidays.

The council felt that the data should be submitted to Leeds City Council as supporting evidence together with a letter.

Next was discussed what we could do at school to raise the profile of 'good' car parking. It was suggested that perhaps we could do some fundraising to buy some signage to supplement the signage that school already had and displayed. This idea was liked by the majority of the representatives and Mrs Poole offered that she would arrange to meet with Mrs Stott and the representatives that had been involved in the car parking survey to discuss whether this would be possible.

***Action: Mrs Poole to liaise with the representatives that undertook the survey and to arrange a time to meet with Mrs Stott.***
