1. Welcome

Miss Whiteley welcomed all the councillors and also welcomed Mrs Khurshid to the meeting.

2. The Big Splash Aftermath

Miss Whiteley handed over to Mrs Khurshid who had some very exciting news for the council. She advised them that the bid that we had submitted had been successful and that we will be receiving the full grant for our ward. Mrs Khurshid pointed out that there was a lot of competition for the grant as lots of schools had applied. They thought the Council's idea for an event was excellent and that the School Council had really thought about which event they would organise and how the community could be involved which is why we had won.

Once Mrs Khurshid had left the meeting the councillors 'brainstormed' as to how they could make the activities inclusive for those children who would be attending and for those that would not. We talked about things that could be prepared/made in advance such as posters, decorations, bunting, menus etc.

The Councillors then discussed contacting local businesses to support the event perhaps by providing a prize for the raffle. The reps also talked about contacting Rudy's Pizza with regards to the Council's proposed pizza restaurant.

Action:

- ***Class reps to talk to their class and to gauge interest in hosting an activity or devising and running their own.***

- *Miya and Amrit to draft a letter to send to local businesses and to meet with Miss Whiteley Mon/Tues to discuss.*
- *Rudy's Pizza Video – Miss Whiteley to meet with Miya, Amrit, Joshua, Amber, Charlotte and Seb.*
