Apologies:

1. Welcome

Miss Whiteley welcomed everyone to the meeting.

2. School Council Roles

As the start of this meeting was staggered Miss Whiteley took the opportunity to talk to the UKS2 reps about the available roles within the council. After much deliberation and debate the roles were assigned.

Chair: Harlee

Vice Chair: Oliver

Families/Gov Rep: Aysel & Bella

EYFS Rep (Rec): Umar & Debora

EYFS (Nur): Olivia & Elijah

Class Reps: Amy, Jack, Renaya & Eve

The councillors were very excited about taking on their new responsibilities.

3. UK Parliament Week

This week is UK Parliament Week and Miss Whiteley was keen to hear from the reps as to what their classes had been doing. The councillors fed back that they had been taking part in debates, learning about the structure of Parliament; the House of Commons and the House of Lords. Making posters and bunting with issues that matter to them and one class even voted for their own MP and Prime Minister!

4. Children in Need Discos

The council talked briefly about the discos that were planned for the following week in aid of Children in Need.

5. Christmas Jumper Day

Miss Whiteley spoke with the councillors about Christmas Jumper Day that school is participating on Friday 8th December (£2 donation) with all monies raised going to Martin House Children's Hospice. Many of the reps said that they already had their jumpers ready and were looking forward to being able to wear them at school.

Action: To talk to their classes about this fundraiser.

6. AOB
