Apologies: Mya (1F), Varun (3A) - Absent

1. Welcome

Miss Whiteley welcomed everyone to the meeting.

2. Downing Street Follow On

Following on from UK Parliament week (November), Q & A with Baroness Bull, member of the House of Lords (December) and Lessons at No 10 (January), Miss Whiteley asked the Council if they would like to continue learning about Parliament and perhaps over the course of the remaining academic year having a session on diplomacy, invite a local MP to a meeting etc.

The councillors all agreed and said that they would like that.

Action: Miss Whiteley to look at planning a calendar of sessions

3. Playground Markings

The reps welcomed Mrs Poole to the meeting. Mrs Poole talked to the council about the possibility of re-introduction of playground markings. Mrs Poole showed the councillors images of five possible markings that she would like children to consider. Mrs Poole gave each class copies of the illustrations of the markings to share with their class together with a tally sheet.

She asked the reps to talk to their classes about the markings and then to perform a blind vote counting up all the votes with each child allowed to vote for three of the five options.

Action: Reps to share images of markings with class and vote. All votes to be forwarded to Mrs Poole before the next meeting.

4. AOB

Next Meeting is on Friday 23rd February at 2.00pm
