Apologies:

1. Welcome

Miss Whiteley welcomed everyone to the meeting.

2. Comic Relief

Miss Whiteley informed School Council that although school were not going to be actively fundraising on Friday 15th March for Comic Relief that children were invited to wear red noses with their school uniform and that the money raised from the Colour Run on 26th march would then be going to Comic Relief.

Action: To make classes aware.

3. Playground marking Results

Mrs Poole was welcomed to the meeting by the council. Mrs Poole talked to the reps about the proposed playground markings and announced which markings were voted as the top three.

1. Snakes & Ladders
2. Mirror Me
3. Trail

Mrs Poole then proceeded to tell the councillors about the next steps; writing a business plan, submitting it to Mrs Stott and then hopefully being given a budget in which to proceed with the Playground Markings. Mrs Poole also added that Friends of ACE would be happy to make a contribution towards the markings.

Action: Reps to update classes.

4. AOB
