### Apologies:

#### 1. Welcome

Miss Whiteley welcomed everyone to the meeting.

#### 2. Questions about School

Miss Whiteley spoke to the council about some questions about school that Mrs Thomson would like to pose to the councillors. Miss Whiteley read out each of the questions and the representatives conferred and answered the questions while Miss Whiteley took note of their answers.

**Action:** *Miss Whiteley to forward the responses to the questions to Mrs Thomson.*

#### 3. Bins & Litter (Nursery Lane entrance)

Miss Whiteley informed the councillors that she had spoken and discussed with Mrs Stott about the possibility of having a bin part way along the path between Nursery Lane and the internal school gates and in addition having litter pickers that children could borrow to pick litter up with on their way into school (picking them up at the external gate and returning to the member of staff on duty on the internal gate).

Mrs Stott considered the requests and raised concerns about the bin in having the responsibility of emptying it. However, she readily agreed to have some litter pickers available for children to litter pick together with bin bags.

**Action:** *Reps to inform classes.*

#### 4. AOB

None

**Next Meeting is on Friday 19<sup>th</sup> April at 2.00pm**
