Apologies:

1. Welcome

Miss Whiteley welcomed everyone to the meeting.

2. Time Travel Bill Adventures Interactive Video

The councillors watched and participated in an interactive video. They learnt about the purpose of the House of Commons and the House of Lords. Chose the bill (choice of three) to petition (they chose the Education one; whether students should be able to use time travel in order to enhance their studies) and to pass it through successfully.

3. Time Travel Bill Adventures Quiz

Following on from the video the council split into mixed aged teams and answered questions relating to what they had learnt through the Time Travel Bill Adventures video. All teams did really well securing 4 points all round out of five.
